When I began conceiving the *SpongeBob SquarePants* musical, one of the first notions I had was that the score should be written by a *variety* of artists from the music (not theater) world.

Why?

First, I had listened to the soundtrack from the movie, with fantastic songs by rock and pop artists, and wanted the show to have a similar unbridled energy and contemporary sound.

Second, I knew we should follow the lead of the TV show's eclectic music – a whimsical assortment of divergent styles and genres.

Last and most importantly, I knew the score had to reflect the world of Bikini Bottom in which SpongeBob lives. And this world is all about juxtaposition. It's a mash-up of discreet objects or sounds put together in new and unexpected ways (for instance, a *sponge* that lives in a *pineapple*, or a pet *snail* that *meows*.) It made sense to me when the writers of the series later told me, "We worship at the altar of Dada. It's an homage to the Surreal." Just as in those art forms, a celebration of discongruity and idiosyncrasy is at the core of all things SpongeBob. You find it in architecture, in events, and even in characters, each one a unique, collaged concoction that lives within a community of extreme bio-diversity. I like to think of the score as having *audio*-diversity: each songwriter contributing a distinct flavor that becomes even stronger when placed next to a *different* one, yet all combining into a unified whole.

This notion is central not only to the show's aesthetic but also to its story. Our musical is about community – and the diverse, colorful individuals who come to cherish and fight for it. So this album represents a diverse community of songwriters, each singular in his or her own writing voice – yet all a part of the kooky, kaleidoscopic world we call Bikini Bottom.

When conceiving the songs for *SpongeBob SquarePants*, we brainstormed about artists whose sensibility seemed to fit best with each musical moment. It was important to us to invite each artist to write in their *own* voice rather than trying to imitate any sound from the series. We quickly discovered the right matches as it turned out that many of the folks we approached were long-time fans of the show who leapt at the opportunity. Each writer was given details about the song idea and its context within the story – and then they flew. We were amazed at the quality and specificity of all the work we got back. And grateful. So grateful to these artists for sharing their time, imaginations, humor, and heart with us.

It has truly been a gift to work with these extraordinary writers, all of whom have had a profound and meaningful influence on me as an artist. I cannot say enough about the care and creativity each one of them brought to their compositions. Every song brilliantly encapsulates the moment they were asked to write for. And all of these songs are beautifully crafted with melodic hooks that I challenge anyone to jettison from their brains after the first listen. And so, for me, I felt an enormous responsibility to bring the best of myself to this process, so I could honor each artist's singular voice as well as help to serve the dramatic beats of our story. If I've accomplished all that, and the "band" is happy (and what a "band" it is!), I will have achieved what I set out to do. But maybe most importantly, I wanted to make a killer record that SpongeBob would be proud of. One that he might deem, "the best record ever."

SYNOPSIS by Kyle Jarrow, Bookwriter

The sun rises on the aquatic habitat known as Bikini Bottom... home to SpongeBob SquarePants, the squarest, yellowest and most optimistic sponge in the sea (**Prologue**). SpongeBob heads off to his beloved job at the Krusty Krab burger joint, greeting the various denizens of Bikini Bottom (**Bikini Bottom Day**). He's just arrived at work when an earthquake shakes the town. Soon we learn what caused it: a long-slumbering volcano called Mount Humongous. Sandy the Squirrel does some scientific calculations and determines that the volcano will erupt at sunset tomorrow. Panic sweeps through Bikini Bottom (**No Control**). Patrick the Sea Star is most panicked of all, because his favorite TV programs have been preempted by urgent newscasts. SpongeBob calms his best friend by reminding him they don't need television as long as they have imagination (**BFF**).

The Mayor of Bikini Bottom gathers her citizens to discuss what to do about the impending disaster. Sandy suggests using science to stop the eruption. Plankton scoffs, then pitches his own plan: flee and start over somewhere else (**When the Going Gets Tough**). It's all part of an evil scheme of Plankton's, but the townsfish don't know that so they eagerly get on board. This mass exodus will cost a fortune; Mr. Krabs' daughter Pearl suggests a benefit concert starring her favorite rockers, The Electric Skates. Squidward is given the job of wrangling the talent, though he'd much rather be performing himself. With that, the townsfish set about preparing for evacuation. All except for SpongeBob, who's determined to find a way to save his home (**[Just a] Simple Sponge**).

Meanwhile, everyone else is thinking about how to spend their last thirty-six hours in Bikini Bottom. Squidward is determined to realize his dream of being a stage star by securing a place in the benefit concert. Mrs. Puff is going on a bender. Old Man Jenkins is seeking someone to blame for what's happening. Mr. Krabs explains to his daughter that they should spend this time concentrating on what really matters in life: money (**Daddy Knows Best**). SpongeBob recruits Patrick and Sandy to be on his team to save the town (**Hero Is My Middle Name**). But then a group of Sardines get inspired by Patrick's wisdom and decide he's the messiah who will deliver them from this crisis (**Super Sea Star Savior**). They lead Patrick off as night falls and Act I slams to a close (**Tomorrow Is**).

The curtain rises on Act 2 to reveal Patchy the Pirate – proud president of the SpongeBob Fan Club – storming onto stage with his buccaneer brethren to air frustrations about the rampant pirate prejudice in the world (**Poor Pirates**). After security guards chase them off, we return to our story. The Electric Skates arrive for their sound check (**Bikini Bottom Boogie**) while SpongeBob and Sandy begin their ascent up Mount Humongous (**Chop to the Top**). Once they reach the top, their plan is to use Sandy's volcano-stopping invention, The Erupter Interrupter. The climb is hard without Patrick, who is off being worshipped by the cult of sardines (**[I Guess I] Miss You**). As for Squidward, he's managed to annoy the Electric Skates so much that they quit, leaving him alone (**I'm Not a Loser**). This means the town won't get the money it needs for the evacuation. Fear spreads and chaos ensues! SpongeBob and Sandy, scaling the side of Mount Humongous, are now Bikini Bottom's final hope... until SpongeBob goes tumbling off a cliff. Just when it seems he's a goner, Patrick appears on the scene and catches him. Patrick explains he missed his best friend so much he had to come back. Reunited, the team reaches the top of the volcano and throws in the Erupter Interrupter. Now they have to wait until sunset, the moment of eruption, and hope the device works to stop it. But down in Bikini Bottom, fear is causing the townsfish to turn against each other. If someone doesn't do something fast, the town will destroy itself regardless of what happens with the volcano. Luckily, SpongeBob's optimism is just the message the townsfish need to conquer their fear (**Best Day Ever**). Together, they join fins and count down until sunset. The Erupter Interrupter works and the town is saved (**Finale: Bikini Bottom Day Reprise**). Life in Bikini Bottom returns to normal... which is to say, not very normal at all (**SpongeBob SquarePants Theme**).

Ah yes, Bikini Bottom's most popular dining establishment, home to the Krabby Patty. Owned and operated by Mister Eugene Krabs. And across town, the least popular restaurant: The Chum Bucket, run by Sheldon J. Plankton. Two arch nemeses locked in a fast food cold war.

SpongeBob
Uh, Mister Krabs? If she doesn't want to be manager, I know someone who'd be great for the job.

Krabs
You?? My boy, you're just a wee simple sponge. A fry cook is all you'll ever be.

SpongeBob
Why can't he see?
I wore my good shoes and I've got my tie on

(JUST A) SIMPLE SPONGE

SpongeBob
Sure, I spend my days floating around
Head in the bubbles and my feet on the ground
But there is more to me than just my name –
Give me a chance and I could change the game
And maybe one day, Mr. Krabs, you'll say
"The Krusty Krab's yours, it's your lucky day!"
That is what I've always wanted
Then I can finally say I've done it

Let me have adventure, be a contender – and more

Chorus
'Cause you're not a simple sponge

SpongeBob
I wish he'd see I'm not just the sponge-next-door

Chorus
No, you're not a simple sponge

SpongeBob
There's got to be a better way
A way to save this town I love
But how can I stop the end of the world?

SpongeBob
Am I just a simple sponge?

Chorus
No, you're not a simple sponge

SpongeBob
So, what if I'm a sponge? It's what I want to be
There isn't anyone who stretches like me
Employee of the month, two years in a row
Undisputed master of my own dojo
And everyone here knows that they can depend
On this expert jellyfisher who's a trusted friend
I can eat a lot of ice cream
I can even play my nose like:
Let me have adventure, be a contender – and more

Chorus
'Cause you're not a simple sponge

SpongeBob
Can't he see I'm not just the sponge-next-door?

Chorus
No, you're not a simple –

SpongeBob
I wish that I could turn back time
I never thought my world could end
I only wanna hang out with my friends

SpongeBob
But fear I fear is dragging us down
And now there's panic that's run
Amok

In my simple town!

Chorus
Ooh
Now there's panic that's
run amok

No! No! No! No! No!
Oh

No! Just give me adventure, I'm a
Contender – and more

Chorus
'Cause you're not a simple sponge

SpongeBob
I will show I'm not just the sponge –
Next door!

Chorus
Oh

Chorus
No, you're not a simple sponge

SpongeBob
I'm gonna find a better way
A way to save the life I love
And I *am* gonna stop the end of the –

Chorus
Oh, oh
And I ahh end of the

Krabs
No, you're just a simple sponge

Chorus
Mmm

SpongeBob
You're wrong, Mr. Krabs! I'll find a way to stop that volcano from erupting!

Krabs
You are still a simple sponge

Chorus
Mmm

SpongeBob
I'll use science, like Sandy said. But I'm gonna need her on the team.

Krabs
'Cause you're just a simple sponge

Chorus
Ahh

SpongeBob
And Patrick too – he's super strong. We'll be the best team ever! Sandy's brains plus Patrick's brawn plus my...

Krabs
Yes, a very simple sponge

Chorus
Ahh ahh

SpongeBob
I'm not sure what my thing is. But that won't stop me. When the going gets tough, this sponge gets going!

No, I'm not a simple sponge!!

I am not a simple sponge!

Chorus
Let me have adventure
Be a contender and more

Sponge Chorus
They will see you're not just the sponge-next-door!
Yeah yeah yeah!

Now at last –

I have found a way
A way to save this town I love!
I am not a simple sponge

Sponge Chorus
You have found a way
A way to save this town I love!
Not a simple sponge

DADDY KNOWS BEST

Krabs
Life is short and the end is near
It's important to identify what you hold dear
It's clear, Pearl –
Your daddy always knows best –

Pearl
I'm not in the mood for a teaching moment right now.

Krabs
Let me tell you what counts more than all the rest:
Money money matters most!
Money money I can boast!
Money money make a toast to
Money! Money! Money! Hah!

Pearl
You just don't understand me! I know we're not the same species, but that doesn't mean that money is –

Krabs
Me money makes funny things funnier, sunny things sunnier
Nothing's crummier than
No bread, Pearl –
Your daddy always knows best

Pearl
Daddy, will you just listen to me?

Krabs
Pearl, let me show you how *deeply* we're blessed!

Money money in this drawer!
Money money round this door!
Money money from the floor –
Money! Money! Money! Ah

Pearl
I should be my daddy's greatest prize
But instead he's got dollar signs in his eyes
Daddy, you just don't understand
All I care about
Is rocking out
With my favorite band!

Electric Skates
Ya ya ya...

Pearl
Oh, the feeling that it creates –

Electric Skates
Ya ya

Pearl
When I hear the Electric Skates!

Krabs
Can you hear it, Pearl?!

Ensemble
Money money money money money money money

Pearl
Daddy can you hear me?

Ensemble
Money money money money money money money

Pearl
Can you hear me at all?

Krabs
Money money in the air!
Money money everywhere!
Money money do not share!

Money!

Money!

Money! Hah!

Money money I'll stay true!
Money money just us two!
Money money I love you!
Money money!

Money money!

Money money!

Money money!

Money money money money

Pearl
Daddy can you hear me?
Can you hear me?
Ooh!
Daddy!

Daddy!

Daddy!

Daddy can you hear me?
Can you hear me?
Can you hear me?
Ooh!
Daddy!

Daddy!

Daddy!

Daddy!

Daddy daddy daddy daddy

Krabs
I'm sorry, Pearl – were you trying to say something?

Krabs
Money!

Pearl
Daddy!

HERO IS MY MIDDLE NAME

SpongeBob
If the world is gonna end tomorrow
Wallowing in sorrow won't get us anywhere
You'll find all the strength you need is inside
Like Poseidon riding 'cross the tide
Don't let this moment pass by

Come on –
Hero is my middle name
Fixing trouble is my game
Just give it the old know-how –
There's no better time than now
Don't give up and don't give in

Patrick
Yeah! If you're thinking sink or swim

SpongeBob
Oh yeah
Courage is your claim to fame
When hero is your
Middle name –

SpongeBob & Patrick
And hero is our middle name!

Sandy
Well, that's nice, boys, but mine's Jennifer.
My machines, they made a real prediction –
It's not science fiction
There's nothing we can do at all

SpongeBob
Why are you waitin'
For the bottom to fall?
Not the time to drop the big beach ball

SpongeBob
All for one and one for all?
Eh?

Patrick & SpongeBob
All for one and one for all!
Patrick, SpongeBob, and Sandy
All for one and one for all!
Come on!

Sandy
Hero is my middle name
Fixing trouble is my game
Just give it the old know-how –

Sandy, SpongeBob & Patrick
There's no better time than now

Sandy

SpongeBob
Three heroes, to the rescue!

Sandy
Team of tres, to the top!

Patrick

POOR PIRATES

Patchy
Let me begin with a hardy ho-ho
And a tale that nobody tells well
I've not come all the way from E-N-C-I-N-O
To be treated like sewage that smells
Though I'm certainly not that surprised
For this story is older than time
Me peg-legged pirating brethren and I
Are society's slug-ridden slime

We've all been cast out as scallywag rogues
With fire in our beards and our eyes
There's a side to us pirates that nobody knows
And it's soft as a baby's backside

Some of us just want adventures
The open sea wind in our earrings
Why are we constantly misunderstood?
Don't you know pirates have feelings?

Patchy
Poor pirates p-o-o-aaaaar
Poor pirates p-o-o-aaaaar
Poor pirates
Can't deny this simple truth

Poor pirates p-o-o-aaaaar
People too

Pirates
Poor pirates p-o-o-aaaaar
Poor pirates p-o-o-aaaaar
Poor pirates
Can't deny this simple
truth
Poor pirates p-o-o-aaaaar
Too too too

Patchy
Nice harmonies, maties!

Patchy
Think of how hard we have had it

Out on ships there is not much
to eat

And dentists hate pirate insurance

Which is why we've so many
gold teeth

Me laundry stays damp

And me boots start to stink

And me fingernails filthy and dirty
Me internet loads unbelievably slow
And me bedtime's around seven thirty

Pirates
Ooh so hard

Ooh not much to eat

Yo oh no

We've too many gold teeth

Damp
Boots
Stink
Dirty

Patchy
Poor pirates p-o-o-aaaaar

Pirates
Poor pirates p-o-o, p-o-o

Poor pirates p-o-o-aaaaar
Poor pirates
Can't deny this simple truth
We're poor pirates p-o-o-aaar
Poor pirates p-o-o-aaaaar
Poor pirates
Have it so much worse than you

Poor pirates p-o-o, p-o-o
Poor pirates
Can't deny this simple truth
We're poor pirates p-o-o, p-o-o-r
Poor pirates p-o-o, p-o-o
Poor pirates
Ooh you you you

Pirate 1
We've got pirate parades to which nobody comes

Pirate 2
Captain Kidd hosts a marathon but nobody runs

Pirate 3
Long John Silver invented the bloomin' onion

Pirate 4
But you think he gets credit for that? No!

Pirate 5
Captain Bob Hook, no one knows his first name

Pirates 6 & 7
And ol' Greenbeard's been driven completely insane

Patchy
Hardly anyone celebrates our one holiday
"Talk like a pirate day"

Patchy
Poor pirates p-o-o-aaaaar
Poor pirates p-o-o-aaaaar
Poor pirates
Can't deny this simple truth

Pirates are people too aaar
Poor pirates p-o-o-aaaaar
Poor pirates
Can't deny this simple truth
That pirates p-o-o-aaaaar
People too
Yoho!

Pirates
Poor pirates p-o-o-aaaaar
Poor pirates p-o-o-aaaaar
Poor pirates
Can't deny this simple truth
Can't deny that we're
Poor poor pirates p-o-o-aaaaar
Poor pirates p-o-o-aaaaar

CHOP TO THE TOP

Sandy
I've been thinking how to get to the top of the mountain
It's gonna take a whole lot of determination
You've gotta chop to the top if you want it
Just go ahead and give it a try
I know you're scared just be brave you can do it
You gotta give it all you got inside, and...

Chop to the top
Chop to the top
Come on and
Keep it movin'
Don't stop 'til you drop
Come on and chop
Come on and chop

SpongeBob
Sometimes you just gotta kick all that fear away
Courage with a good attitude goes a long long way

Sandy
You've gotta chop to the top if you want it
Just go ahead and give it a try
I know you're scared just be brave you can do it
You gotta give it all you got inside, and...

(I GUESS I) MISS YOU

Patrick
Never thought that I could ride so high without you
Everything I've got's so good but not without you
And suddenly nothing feels quite right
Why does the sunshine feel like night?
I'm only pretending I'm alright without you

Now what's a macaroni without the cheese
Or peas in a pod without the peas
That's the way I feel when there's a me
Without you
I –I –
I – guess I miss you

SpongeBob
It doesn't really matter how high I climb
Without you
I can't enjoy this lonely view when I'm
Without you
No one can make me laugh like you
Nobody turns my one to two
Maybe that's why I feel so blue
Without you

Tell me what's the apple without the pie
Tell me what's the French without the fry
That's the way I feel when I know I'm
Without you

SpongeBob
I –I –

Patrick
I –I –
Guess I miss you

Guess I miss you
I –I –I –

I –I –I –
Guess I miss you

Guess I miss you

Won't you get here my friend?

I'M NOT A LOSER

Squidward
I'm not a loser
I don't secretly hate myself
I'm not singing this to no one
It's not the case that no one cares

I'm not a failure
I don't not have talent
When others see me
They can't see the nobody that isn't there

Hold on, that's a triple negative. You can't not see nobody,
because I'm not nobody, which can't not be seen.
Let me start over.

My life's not empty
They don't not like me at all
I don't not leave the house 'cause
I don't not prefer to stay at home

I don't stink
I'm not a waste
I'm not all alone in thinking that
I am not all alone...

Maybe I am a loser.

Sea Anemones
Hey Squidward!

Squidward
Huh?

Sea Anemones
You're not delirious with despair
And you're not calling true things false!
Hey Squidward!

Squidward
This is weird.

Sea Anemones
You're not hallucinating this sea anemone
chorus line at all!

Squidward
I'm not?

Sea Anemones
You're not a loser
You don't secretly hate yourself
You're not singing this to no one
It's not the case that no one cares

You're not a failure

They can't see the nobody that isn't there

Squidward
I'm not a loser!

They don't not like me at all
I don't not leave the house 'cause
I don't not prefer to stay at home
I don't stink

I'm not a waste

I'm not all alone in thinking that
I am not all alone...

Sea Anemones

You don't stink

You're not a waste

Sea Anemones
You're not a loser
Ooh no!

I don't not leave the house 'cause
I don't not prefer to stay at home

Ooh leave the house
Not prefer to stay at home

Solo Anemone
Stay at home

Squidward
I don't stink!
I'm not a waste
I'm not all alone in thinking that I'm not! Not!
Not all alone!

Sea Anemones
You are not alone
You are not alone
You are not not not not not not not not not
not not all alone
You are not not not alone!
